Application of Mark Anthony Munisteri Architect as agent for Robert West owner.

Applicant seeks architectural review and approval pursuant to the proposed elevation of the existing one story family dwelling to F.E.M.A and NYS building code requirements with a proposed new one story addition to the east side and new west side deck pursuant to section 24-6-A (1)(h) of the Village Code. Premises located on the west side of Bayview Place approximately 92 feet north of Chadwick Court in a "Residential A" district known as **33 Bayview Place** a/k/a SCTM#101-12-5-5

Mark Anthony Munisteri Architect spoke on behalf of this application. Mr. Munisteri explained the eight (8) foot addition would include a relocation of a door, the house will maintain the same siding. Ms. D'Andrea asked if the casing around the doors stopped at the stucco line, Mr. Munisteri explained they would go all the way down. Ms. Jealous-Dank noted that the plans were lacking information, she questioned how to distinguish between new and existing windows. Mr. Munisteri replied all new windows were labeled with numbers. Mr. Morin questioned the existing generator, Mr. Munisteri replied that the generator will also be raised on a pressure treated platform.

There being no further comments from the floor or the Board, a motion to approve with the following stipulations was made by Mr. Morin and seconded by Ms. Nugent:

Stipulations:

1. Applicant must secure all necessary permits
2. Applicant must abide by all building, state, and local codes
3. Applicant will place lattice on the rear elevation at the lower platform down to the ground on the stairs.
4. Applicant will add a window on the right side elevation of the front portion of the house by the stairs on the second floor.
5. Applicant will adhere to the variance issued by the Zoning Board of Appeals
