Dear Business Owner,

I am pleased to inform you that the reconstruction of Village Municipal Parking Lot #5, located between Oak Street and Union Street, is scheduled to commence on Monday, November 13, 2017, weather permitting. The parking lot reconstruction is part of a Town of Babylon Federal Community Block Grant that was awarded to our Village.

We have been given a schedule by the awarded contractor that the project will be completed within 15 business days.

In order to accomplish this project as efficiently as possible, we need your help and cooperation. As such, please take the following into consideration:

1. During working hours (Monday thru Friday, 7:00 AM to 4:00 PM) the parking lot will be closed, BUT limited access will be permitted on weekends and after business hours on weekdays.
2. Please do not leave vehicles parked in the limited access parking section of the lot overnight or these vehicles will be towed.
3. Please adjust your plans for deliveries and other daily functions if necessary.
4. Please contact the Department of Public Works at (631) 789-2200 with any inquiries you may have.

Thank you in advance for your anticipated cooperation!

Sincerely,
