

FREE PROSTATE CANCER PSA SCREENING PROGRAM

Sponsored by Senator John Brooks
and Integrated Medical Foundation

Thursday, September 20, 2018
4:00pm – 5:45pm

Amityville Fire Department
55 West Oak Street
Amityville, NY 11701

Free Prostate Cancer Screening Details

- Open to men age 40 and older who have not previously been diagnosed with prostate cancer, regardless of whether or not they have insurance. (Screenings are available for those who have not received a free screening from IMF in the past 12 months).
- Screenings will involve a free PSA blood test.
- Men participating in the program must bring a photo ID listing their address (such as a driver's license).
- Patients must bring a self-addressed, stamped envelope and health care provider's name and address to be notified of the PSA blood test results.
- **Appointments are necessary; space is limited.**

Call Senator Brooks' Office at 516-882-0630
to schedule an appointment.
