Memorial and Commemorative Gift Program

Through the Village of Amityville, memorial trees, benches, planters and engraved garden stones can be purchased in memory of a loved one, to commemorate a special occasion, to honor an outstanding accomplishment or as a gift that will last a lifetime. Individuals, groups and organizations are all invited to participate in this program. A gift to the Village of Amityville in honor of a loved one is a wonderful tribute for any occasion. Your donation of one of the unique options below will enhance the beauty of the Village and will be enjoyed by everyone for generations to come. Make a **tax-deductible** contribution that has lasting power. Once placed on Village property all selections will be solely owned and maintained by the Village.
