Village Arbor Day Celebration Is Postponed; Public Urged to Plant & Prune

In light of public health concerns about the Coronavirus, The Village of Amityville will postpone its Arbor Day celebration, originally planned for **Saturday, April 25, 10 a.m. to 12 p.m.**, to be rescheduled at a later date. The community is asked to consider planting a tree on their own property and to care for their existing trees in honor of this national holiday which commemorates the valuable role trees play in our environment.

In 2020, Amityville once again earned the distinction of being a Tree City USA municipality, in honor of its commitment to effective urban forest management.

For information, contact Village Hall at (631) 264-6000, ext. 407.
