Greetings,

I want to take a moment to wish you and yours a happy, safe and blessed Thanksgiving.

We also want to let everyone know that our **Amityville Tree Lighting** will be conducted virtually this year due to Covid-19. On **Saturday, December 5th at 5:30 pm.**, tune in to our FaceBook livestream on our [Amityville Village Hall Facebook page](#).

Santa **will not** be at the Triangle, so instead of visiting him in-person, go to your computer, tablet or phone to see his on-camera appearance straight from the North Pole. We will also show spirited performances by the dancers from Great South Bay Dance, and the Salvation Army Brass band who will also play holiday tunes for our enjoyment. If you wish to support this charitable organization, you can donate virtually to their kettle drum, by texting the word Hempstead to 71777.

The annual US Marine Corps Toys for Tots drive tradition also continues. You can bring a smile to a child by donating an unwrapped toy in the collection boxes in our first floor lobby until Dec. 11th. Thank you to Don McVeety (USMC Ret.) and Police Officer Dave Fuertes (USMC-Reserve) for making this drive possible!

Please continue to support our local merchants and restaurants this holiday season. They truly appreciate your business, and together we can help them succeed in these challenging times.

Have a Happy Thanksgiving everyone!

Mayor Siry
