February 12, 2021

Greetings,

Amityville Village and the Amityville Police Department will be holding two **open informational and community input meetings** on **Tues., February 16** and **Tues., February 23 at 7 p.m.** via Zoom Meeting regarding the Amityville Village Police Reform Plan. This plan complies with Governor's Cuomo's guidance requiring all police departments to adopt a plan for reform.

We are looking for participation from all Village residents and those from surrounding communities for input, comments, suggestions and any relevant information. Please visit our official Village website [Amityville.com](http://Amityville.com) for Zoom Meeting login instructions.

If you have not yet completed the **Amityville Police Department Community Survey**, please take a moment to do so. Visit <https://www.surveymonkey.com/r/DYWNSBN> or see our website for a link to the Spanish version. The survey will ask for your impressions and what is most important to you from a safety standpoint.

Please also see the first draft of the Police Reform Plan which can also be found on our website [Amityville.com](http://Amityville.com). You will see it is very comprehensive and I thank Chief Bryan Burton and the APD staff, Deputy Mayor Kevin Smith and all the committee members for their contributions.

Also, while visiting our website, please sign up for our Code Red alerts. Anyone not signed up for Mayor's Messages can enter their email to be on our mailing list. Also, visit and like the Village Facebook page - Amityville Village Hall – to stay up to date.

Please continue to frequent our restaurants and other local businesses throughout the Village and continue to mask up and follow Covid-19 protocols. Thankfully, the number of new Covid-19 cases is declining (statewide positivity is now 3.54%) and yesterday's hospitalizations were the lowest since November 23<sup>rd</sup>. Let's stick with it so we can defeat this virus!

Enjoy your weekend, and Happy Valentine's Day!

Regards,

*Mayor Dennis Siry*
