March 12, 2020

COVID-19 Update:

While we have not received notice of any cases of coronavirus within the Village, we are monitoring the coronavirus situation very closely and will keep residents informed of any crucial updates. In the meantime, please visit these websites to get educated on the virus:

[Coronavirus.gov](https://www.cdc.gov/coronavirus)

[New York State Department of Health](https://www.health.ny.gov)

Social distancing has been recommended as a means for controlling transmission of the virus, particularly for individuals who are elderly or have underlying health conditions that put them at greater risk. For this reason, we have closed our Village Senior Center until further notice.

During the COVID-19 health crisis we urge residents to consider limiting their in-person visits to Village offices and instead, call us at (631) 264-6000 or email us mayor@amityville.com with any questions or concerns. Some of our services can be accessed online such as purchasing parking permits, printing tax bills, and paying Court fines (with a surcharge) if you prefer to do so.

As always, resident complaints can be made directly on our [Action Line](#) online portal on our website at Amityville.com.

We remind residents that it is also currently flu and respiratory disease season and CDC recommends getting the flu vaccine and taking everyday preventive actions to stop the spread of germs.

We thank you for your cooperation and hope everyone does their part to stay safe and healthy.

Best Regards,

Mayor Dennis M. Siry
