U.S. COAST GUARD AUXILIARY

"About Boating Safety" Boating & PWC Safety Course

The Coast Guard Auxiliary boating course is a basic boater's safety course covering the fundamentals of boating. The course material covers seven chapters, which touch on information to make your boating experience safer and more comfortable. This course is recommended for all new boaters and required by New York State for all personal watercraft operators and boaters born in 1996 or later. Upon completion of the course, you will receive a SAFE BOATING / JETSKI CERTIFICATE. This certificate is required by New York State to operate a personal watercraft (jetski)

PRE-REGISTRATION IS REQUIRED

ONLINE REGISTRATION AND PAYMENT AT www.FLOTILLA1-2.ORG
