

Santa is coming!!!!

It's that time of year again when Jolly Old St. Nicholas will be visiting the Village of Amityville escorted by the Elves of the Amityville Fire Department. Unfortunately, this year has thrown several challenges at everyone with the ongoing Corona Virus Pandemic. To keep Santa safe this year, the Elves of the Amityville Fire Department, and most important the children and families of this great village we are going to be altering how Santa comes through town. We will only be conducting **TWO** Santa trips which are listed below by time and geographic area.

- **Saturday December 12th, 2020 – 12:00 PM Starting Time**
South of Merrick Rd from the West Village Line to the East Village Line
- **Sunday December 13th, 2020 – 1:00 PM Starting Time**
North of Merrick Rd from the West Village Line to the East Village Line

Santa, of course, will be giving out his candy canes to all the children, however, this year we will not be able to stop for a sleigh picture. We ask that children/ families have face coverings on when our firefighter elves come to deliver the candy canes. We ask that you have the children's coats on and ready when you hear the fire trucks coming. Again, this year we are going to try our best to see everyone in the Village, however you may notice that our pace maybe slightly quicker. Please have children stay at curb to receive their candy canes.

For our most up to date information, please visit our Facebook page for weather changes or delays. We will also post Santa's location for up to date tracking. Please visit <https://christmaslightsli.com/santatracker>. Click on AFD department patch for live track on those days!
